Matlock Music has presented concerts of live music by professional artists for more than fifty years. Some are on the threshold of a brilliant musical career and it is especially rewarding to hear them when they are at their most vital creative stage. Others are already well established and have appeared in concerts across the UK, Europe and even further afield. Artists appearing in the past have included The Lindsays, Janet Hilton, Peter Wallfisch, Joseph Cooper and Jack Brymer. In recent years we have been proud to present, among others, the Onslow Trio, Ensemble 360, the Barbirolli Quartet, the Allegri Quartet, the Aquinas Piano Trio, the Coull Quartet, violinist Tasmin Little, clarinettist Emma Johnson, pianists Benjamin Frith, Ashley Wass and Martin Roscoe, baroque trumpeter Crispian Steele-Perkins, and singers Elizabeth Watts and Daniela Lehner.

The location for the concerts is the Wheeldon Hall, Highfields School, Lumsdale, off Chesterfield Road, Matlock, DE4 5NA.

*If you have any practical difficulty in getting to concerts or need help in getting in and out of the building, please contact the Secretary, George Wolfe, 28 Brookfields, Calver, Hope Valley, S32 3XB, telephone 01433 631308, who will try to provide help, as part of our equal opportunity policy.*

### 29th September 2017 Ellis Ensemble

The Ellis Ensemble consists of Kimon Perry (Clarinet), Belinda Jones (piano) and Susanne Simma (bassoon). They have a strong commitment to championing both traditional works for this wonderful mixture of instruments as well as promoting new music by living composers. In the light of this commitment, their concert tonight will consist of works by familiar names, such as Mendelssohn, Bruch, Glinka and Saint - Saens, as well as a light jazzy piece by contemporary composer, Bill Douglas and a suite by Tango King, Piazzolla. For further information on the Ellis Ensemble, visit their website, [www.ellisensemble.com](http://www.ellisensemble.com)

### 20th October 2017 Oakham Trio

The Oakham Trio consists of three very familiar faces to audiences at Matlock Music. Martin Cropper (violin) has fronted the young musicians' ensemble, Concerto Grosso, for a number of years, accompanied on occasions by Anne Bolt (piano). Richard Jenkins (cello) most memorably participated in the society's recent 50th anniversary concert, which featured Mendelssohn's String Octet. Tonight's concert will include piano trios by Haydn and Schubert.

### 24th November 2017 Martin Roscoe

Tonight the society welcomes back Martin Roscoe. With an extraordinary career spanning over four decades, Martin is unarguably one of the UK's best loved pianists. Renowned for his versatility at the keyboard, his enduring popularity and the respect in which he is universally held are built on his deeply thoughtful musicianship allied to his easy rapport with audiences. The highlight of this concert will surely be his interpretation of Beethoven's Waldstein Sonata. Martin will also be playing works by J. S. Bach, Weber, Smetana, Martinu, Chopin and Szymanowski. For further information on Martin Roscoe visit his website [www.martinroscoe.co.uk](http://www.martinroscoe.co.uk)

to present a concert at St. Johns, Smith Square and with equally renowned guitarist, John Williams, for a concert in Australia. Amongst the pieces in his wide ranging concert will be works by J.S. Bach, Heitor Villa-Lobos, Giulio Regondi and Leo Brouwer. Andrey appears under the aegis of the Countess of Munster Trust. ### 16th February 2018 Vandeppeer Quartet

Formed in 2013, the Vandeppeer Quartet - Ana Vandeppeer (violin), Rebecca Perry (viola), Rebecca Stephenson (viola) and Eleanor Boney (cello) - are studying at the Royal Northern College of Music in Manchester and were recently awarded the John Barbirolli / Laurence Turner Prize. Their concert will include works by Mendelssohn and Bartok. You can follow the Vandeppeer Quartet on Facebook.

### 16th March 2018 Concerto Grosso

Once again, the inimitable Martin Cropper will bring a group of outstanding young musicians from our locality to perform. Not only is the event an opportunity for the audience to enjoy high quality performances, but also it affords these young musicians a rare and valuable chance to perform and thus gain experience in front of an adult audience, sometimes directing their peers and even their teachers in the music. After the triumphant performances of Shostakovich and Vivaldi last season, we look forward to further delights.

### 27th April 2018 Primrose Piano Quartet

Susanne Stanzeleit (violin), Dorothea Vogel (viola), Andrew Fuller (cello) and John Thwaites (piano) make up the Primrose Quartet. They were formed in 2004 and named after the great Scottish violist, William Primrose. Of a recent performance of Brahms' A Major Quartet, to be performed this evening, a reviewer wrote, *'The performance was fantastic in every respect...their concept of sound was convincingly Brahmsian. This was, in short, music making at its most engaging'*. Other works to be performed this evening are Beethoven Opus 16 and Mozart G Minor Quartets. ### 18th May 2018 AGM Concert

As in previous years, if inclement weather has forced us to postpone an earlier concert, we will endeavour to re-schedule it for this date. Otherwise, we shall organise another artiste at shorter notice. Whichever way, there will be a professional concert on this date.
